DESCRIPTION:

Ankem's **BIO-CLEAN EXTRA STRENGTH** is revolutionary product designed for medium concrete build-up. Bio-Clean-Extra-Strength contains a blend of Organic Acids, Detergents, Surfactants, Wetting Agents, Rinsing Agents, Waxes, Activators & Rust Inhibitors. Bio-Clean Extra Strength is an organic acid base inhibited detergent that easily removes concrete, cement or mortar from any and all surfaces. Now contains extra rust inhibitors to help prevent corrosion.

APPLICATION:

Apply with a sprayer, sponge, brush or scrub pad. May be diluted up to 20:1 with water. Some agitation may be required. Rinse & air dry. Product works best when applied with an Ankem truck wash system. Designed for medium build-up. *This product is for use on Drums and the back end portion of Ready Mix Trucks.*

DIRECTIONS:

Dilute with water to concentration desired for effective cleaning.

Concrete & Cement Dust	1:20
Medium Concrete build up	1:12
Heavy Concrete build up	1:6
